	4.3 SA reports a discrepancy in membership numbers vs payments received. NG to check membership forms and amend where incorrect or contact any unpaid members.	
	Treasurers report attached	
5	Treasurers report attached.  Dalby Astronomy Centre	
	Dulby Additionity Centre	
	5.1 Simon Butcher has approached asking to work closer together with SARAS. NG to make contact and see what SB has in mind.	NG
	5.2 NG suggest familiarisation sessions at Dalby for the 2 observatory scopes for members who have never used them before. NG to email membership for interest and arrange dates	NG
	5.3 Resurrection of Summer solar observing sessions proposed. NG to arrange dates.	NG
	5.4 Decision made to sell the Muskatov Newtonian as currently unable to be	

see without putchasing a heavy-duty flourit such as an Edo. NG to research pricing.  5.5 Decision made to sell 16" Meade Lightbridge due to impracticality of storage and use by the society. NG to research pricing  6.1 NG reports StarFest registrations are open and a nightly rate has been implemented in order to hopefully attract members who otherwise would not attend either as they lived close by or didn't want to camp.  7. National Parks: Ravenscar  7.1 HW confirms the event is receiving bookings and will go ahead  7.2 HW to email membership who have offered assistance to confirm numbers.  8. Dalby Explorer Day  8.1 NG reports SARAS have been invited to attended Dalby Explorer Day once again on Sun 7th July with the theme being 100 years of change. NG proposes highlighting advances with telescopes(the dobsonian mount etc) as well as changes in scientific thinking (Canals on Mars, Forests on Venus, discovery of Pluto and then demotion etc)  9. Equipment Purchases  9.1 NG proposes the society purchase a Coronado PST solar telescope as they are used often at summer events such as Ayton Gala and Dalby Explorer Day and previously members have lent theirs. HW proposes pricing a higher spec/larger aperture than a Coronado PST. Purchase would utilise funds obtained from sale of scopes mentioned in 5.4 & 5.5 NC to obtain prices.  10.1 Due to the high chance of weather affecting travelling, January's meeting each year will be an internal event, either a talk or practical session, September each year will be kept as the Introduction to Astronomy night.  10.2 PS to start arranging speakers for 2019/2020 season  PS  11. AOB  11.1 NG reports Derwent Valley Cubs have requested a revisit. HW offers to attend with JH – arrangements to be made  11.2 HW queries if any arrangements had been made following a request from a school regarding 50th Anniversary of Apollo 11 landing. NG to make contact with school to see what they were wanting to do  12.
